**JOINT STATUS REPORT**

On May 22, 2020, the parties in the above-captioned case filed a “Joint Status Report.” In that Report, the parties represented to the Court that most, if not all, claims for unpaid medical bills had been informally resolved. The parties asked for additional time to allow counsel for the Plaintiffs to contact all of the Plaintiffs in this matter by mail regarding the status of their claims. The parties agreed to provide the Court with another status report by June 19, 2020.

Without waiving any claims or defenses, the parties believe that this informal process continues to bear fruit and the parties have continued to make progress in resolving claims.

Plaintiff’s counsel received several response to the mail inquiry that was issued following the May 22, 2020 Status Report. The parties respectfully request additional time up to and including July 24, 2020 to review and address the claims discussed in those responses. The parties will submit another status report no later than July 24, 2020

Dated: June 18, 2020

Respectfully Submitted,
